## MANDAN'S DOG PARK

The Dog Park offers fenced in areas for large and small dogs to exercise and socialize. The Dog Park is open daily from 8:00am-11:00 pm.

### Mandan Rodeo

The Mandan Rodeo Days Committee is responsible for the cost of the new arena. Mandan Park District and the Mandan Rodeo Days Committee secured a \$750,000 donation from Dale Pahlke, Dakota Community Bank & Trust and a \$1 million commitment from the City of Mandan Visitors Fund to directly benefit infrastructure improvements at Dacotah Centennial Park.

The improved facility will now be known as the Dale Pahlke Arena on the Dakota Community Bank & Trust Rodeo Grounds. The Dale Pahlke Arena will feature a larger arena with improved drainage, new fencing and gates, new announcer stand, audio visual system, 4,000 seat grandstand, livestock pens, contestant warm-up area, future exhibit hall and a maintenance/storage shed. Dacotah Centennial Park updates will include accommodating ADA upgrades to bleachers and LED lighting throughout the facility. The goal is to have the facility ready fall 2022.

### Mandan Tennis Center

Mandan Parks and Recreation has entered into a 15-year agreement with Mandan Tennis Center LLC to construct the tennis facility. The facility will include 41,600 square feet inside the dome featuring six tennis courts. Three of the courts will be multi-striped to allow for 10 pickleball courts. Outside the dome will include a 3,000 square foot welcome center and four outdoor pickleball courts. This facility will serve a growing need in our community for tennis and pickleball and will be available to boys and girls tennis teams and summer parks and recreation programs.

Free court space will also be set aside each week for First Responders and active Military. The dome will have the potential to host regional and state high school tournaments, college matches, USTA sanctioned tournaments, and USAPA sanctioned tournaments. The dome will also allow for tennis and pickleball lessons and leagues to be played in the fall, winter, and spring months. It will serve as Mandan's first indoor tennis facility.
